CMU  
Music  
School

Classical music is a universal language. Classical chamber music is a dialect that is intelligible to all that speak music. It is both intimate and inclusive. "Come as You Are", the title of the second winter season program, is our invitation to you to discover for yourself the art of chamber music. There are no prerequisites to enjoying live music-making of the highest order; to join in the Felici Piano Trio's celebration of 25 years in the Eastern Sierra with wonderful guest artists; to experience some of the best music composed in the last 250 years.

Please, Come as You Are, we are delighted to see you at Cerro Coso College in Mammoth or Bishop!

∞  
Musically Yours,  
Rebecca, Brian & Steven
